

CHANGES TO ONTARIO AUTO INSURANCE

GIVE YOU MORE CHOICE

On September 1, 2010, changes are coming to auto insurance in Ontario. Additional accident benefit choices will allow you to customize your policy to suit your needs. These choices will give you greater influence over the price you pay for insurance. Pricing will vary based on the benefits you purchase.

WHAT'S NEXT

The reforms and new choices take effect September 1, 2010. Your policy will remain unchanged until your next renewal. At that time, you'll be provided with more information on the changes and your options. After September 1, 2010, you can also choose to make changes to your policy prior to its renewal date.
